janasamiddha2006@gmail.com | 9382703483 | LinkedIn: Jana Samiddha

Education

- **Midnapore College (Autonomous)**, B.Sc. in Physics 2024–2027 (expected)
Current Year: 2nd Year
3rd sem SGPA: 8.35
- **Higher Secondary (Class XII)** – 2024
Score: 86% overall; Mathematics: 96
- **Secondary (Class X)** – 2022
Score: 96% overall; Physical Science: 100, Mathematics: 100

Research Interests

Theoretical High Energy Physics & Astrophysics, Quantum Computing & Information Theory, Condensed Matter Physics (theoretical)

Experience

- **Currently doing internship at IIT KGP under the guide Dr. Shaili Sett in the Centre for Interdisciplinary and Convergence Technology.**
- **Completed the 5 days Winter School organised by Dept. of Physics, IISc Bangalore and passed the evaluation.**
- **Completed a workshop on Quantum Computing and Algorithms at IIT Kharagpur Research Park, Hands-on training in quantum circuits, algorithms, and VQE for physical and molecular systems, with exposure to quantum hardware.**
- **Visited IIT Kharagpur Photonics Research Laboratory of respected Prof Shivakiran Bhakta. Learn how laser works, photolithography, photonic crystals etc.**
- **Completed a two-day interdisciplinary workshop on Neuroscience, Brain Mapping, and Cancer Biology, developing computational thinking and gaining early biophysics research exposure through physics-based and quantitative analysis of neural systems.**
- **Completed a course conducted by Haldia Govt. College by national and international faculties with A+ grade.**

Skills

- **Advanced Special Theory of Relativity, Quantum Mechanics (basics), Classical Mechanics, Tensor Analysis, Linear Algebra, Laser, Calculus, Mathematical Physics - I.**
- **Problem Solving, Analytical Thinking, Laboratory Instrument Handling, Team Collaboration.**

Programming

Basic proficiency with **Python** and SciLab language. And I know **Latex** with the help of LLMs.

Achievements

- NMMSE Scholarship Holder (2019 - 2023). Swami Vivekananda Scholarship Holder (2021-2023 & 2024 - continuing).
- Cleared JEE Mains and appeared for JEE Advanced 2024.

Hobbies

Philosophical Thinking, Reading Advanced Physics Books, Chess, Outdoor Sports.
